Re: Electricians/ Narinder, J. and Mickey V.

Recently my store underwent a renovation. During this time Narinder and Mickey did most of the electrical work for us.

I wanted to send a quick note to let Western Pacific know that these two employees were outstanding.

They were both very professional, accommodating, and pleasant to work with.

I would highly recommend your company based on the experience that I had with these two employees.

It was a pleasure to have them both in my store.

Many Thanks,
